Monthly Financial Report

The Oaks Condominium Association | September 2026 (9/1/2026 - 9/30/2026)

Preliminary. This report is prepared on a cash basis from Property Masters Inc. (PMI) statements generated October 21, 2026. The source statements are marked "may not be final," and figures may be adjusted as entries are finalized. Cash and investment balances are general ledger book balances that have not been reconciled to bank statements in this report.

Year to date (January - September 2026)

	Actual	Budget	Favorable / (Unfavorable)
Income	$2,958,768.73	$2,891,413.44	$67,355.29
Expenses	$2,660,797.59	$2,863,145.97	$202,348.38
Net operating income	**$297,971.14**	**$28,267.47**	**$269,703.67**

Highlights

- September income was $298,493.63, which is $22,774.53 below the monthly budget. Maintenance fees were $294,491.55 against a budget of $316,660.67.
- September expenses were $182,183.95 against a monthly budget of $318,127.33. Some annual costs, such as insurance premiums, are paid on a schedule rather than monthly, so individual months can look higher or lower than the budget.
- Year to date, net operating income is $297,971.14 against a budgeted $28,267.47. This is an operating result, not a cash balance.
- Year to date, spending in four categories (contract services, maintenance and repairs, insurance and taxes, and capital reserve projects) is above the year-to-date budget. Administrative, payroll and utilities are below it. The table on the next page shows how much of each annual budget has been used.

Results by Category

Favorable / (Unfavorable): positive numbers mean income above budget or spending below budget; numbers in parentheses mean income below budget or spending above budget.

Reserve and investment accounts	$1,206,995.47
Total cash and investments	**$2,269,853.00**

On September 17, 2026, $66,666.00 was transferred from the operating account to reserves ($8,333.00 to the capital reserve account and $58,333.00 to the insurance reserve account). Interest earned in September was posted to the reserve accounts. Transfers to reserves do not appear on the income statement, so the change in operating cash alone is smaller than net operating income. Across all accounts, the change in total cash and investments ($116,309.68) equals September net operating income.

About this report
